

# Emily Hinton

## Profile

An ambitious sophomore at Utah State University studying Outdoor Product Design & Development, with a passion for problem solving & prototyping.

## Experience

### Head Teaching Assistant

Utah State University Logan, UT | Jan-Apr 2025 & 2026

- Collaborating with TA's & Professor to improve a History of Outdoor Products class. Updating class formats & materials.
- Managing grading and class attendance
- Handling student Q & A
- Presented two talks (about me & history of urban & indoor climbing from buildering to dual-tex)

### Climbing Team

Utah State University Logan, UT | Sep 25-

- Consistently attending practice with an open mind for improvement
- Competitions: Utah Tech 10-25-25, Spooky Sends 10-27-25, Bloom & Boulder 2-23-26, Choose Your Own Adventure 2-28-26

### Outdoor Footwear Tester

Nike ACG Beaverton, OR | Jun-Nov 25

- Selected as a field tester for Nike ACG, logging weekly hiking miles & providing feedback on performance across two design refinements of a single shoe design

### Counselor

Momentum Millcreek, UT | May-Aug 25

- Led climbing instruction & games for youth, teaching fundamental climbing skills & safety practices in an engaging environment
- Collaborated with fellow counselors to proactively resolve issues

### Timber Cruiser Intern

USFS Uinta-Wasatch-Cache Heber, UT | May-Aug 24

- Supported four timber sales by rapidly learning & executing procedures for forest inventory & data collection
